

Ellen Amorina Storrar

I am a linguistics graduate from Brazil. Held few different jobs along my working life there, and then I worked for 5 years in banking. I moved to the UK in 2008 to do some certifications in English studies. To finance my studies, I worked with catering and hospitality. After acquiring the certificates I wanted I went back to Brazil, end of 2011.

In 2013 my personal circumstances changed and I moved back to the UK. I started working at the Waltham Forest as Project Manager, managing a portfolio of over 200 community projects per year.

In October 2018 I saw that Richmond BID was looking for a Project Manager, and I decided to apply for this position. After one month working as the PM at Be Richmond, I was offered the Manager position.

Be Richmond holds 3 large scale events per year, plus all services provided to levy payers. It has been very busy few months, and I can't wait to learn more about BIDs and share experiences with other fellow BID Managers.
