

Certificate in BID Management

Kate Blenkinsop, Nottingham BID

Kate joined Nottingham BID in 2018 as a Project Administrator. During her time at Nottingham BID Kate has played a key part in the launch of many successful projects, such as The Nottingham Ale Trail and The BIG Lunch, which was nominated for The National BID Awards in 2018. Kate also played an important role when it came to renewal in 2020 as Nottingham BID were pioneers for running a ballot through the COVID-19 Pandemic, achieving a very successful result in October. It was this work on renewal which made Kate decide to apply for the Certificate in BID Management course.

Kate has had extensive experience in both the public and private sector, as well as having worked in the leisure and retail industry, which makes her a good all-rounder in a BID environment.
