

## **Neil Haggertay**

Live in Tonbridge Kent.

I Joined the Police in 1979 as a spotty faced Cadet and retired after 33 years. In that time I worked on Community Policing, Firearms, Crime Prevention and response teams. I was based in Lambeth for the main part of my career.

I then worked for Lambeth Council in Brixton dealing with all things around Street Population. 3 and half years.

I progressed to Head of Security for Southbank BID/Southbank Employers Group in October 2016 and remain in post.

I am heavily invested in the Southbank area with over 25 years of my working life spent here. I have seen such huge improvements it beggars belief.

An interesting fact:- I captained England at Lacrosse for a number of years.
