## Melanie Beck, My Milton Keynes BID

Melanie Beck is Chief Executive of the MyMiltonKeynes Business Improvement District.  She is a tenacious and goal focused individual which probably stems from her early years as a competitive diver.  She now spends her down time managing the sport she grew up in. She enjoys long walks with her two Cavalier King Charles spaniels Monty and Mabel. Milton Keynes is the fourth largest BID outside of Greater London with a levy value of £1,089,000.
